\*-Received on 1 May 2011 by I.V. Belyaeva

We have audited the accompanying accounting reports of Joint-Stock Company "Moscow United Electric Grid Company", consisting of the balance sheet as of December 31, 2010, the profit and loss account, statement of changes in equity and statement of flows of money for the inspection period and other applications to the balance sheet and the profit and loss account and explanatory note.

### **Responsibility of audited entity for accounting reports**

Administration of audited entity bears responsibility for compiling and reliability of the accounting reports in accordance with the Rules for preparation of accounting reports of the Russian Federation and the system of internal control, necessary for preparation of accounting reports, which are free of material misstatement due to fraud or error.

### **Responsibility of auditor**

Our responsibility is to express an opinion on reliability of the accounting reports based on our audit. We conducted our audit in accordance with Federal auditing standards. These standards require complying with relevant ethical norms and planning and carrying of the audit to obtain reasonable assurance that the accounting reports does not contain any material misstatement.

The audit included performing of audit procedures to obtain audit evidence supporting the amounts of accounting reports and disclosure of information in it. The choice of audit procedures is the subject of our judgments, which is based on an assessment of material misstatement risk, made due to fraud or error. During the assessment of this risk, we consider a system of internal control, providing drafting and reliability of accounting reports in order to select appropriate audit procedures, but not for the purpose of expressing an opinion on the effectiveness of internal controls.

The audit also included assessing of appropriateness of used accounting policies and the reasonableness of estimates made by management of audited entity, as well as evaluating of the overall accounting reports.

We suppose that evidence obtained during audit provides a sufficient basis for our opinion on the reliability of accounting reports.

**Opinion**

In our opinion, the accounting reports present fairly, in all material respects, the financial position of Joint-Stock Company "Moscow United Electric Grid Company" as of December 31, 2010, the results of its financial performance and flows of money for 2010 in accordance with the Rules of accounting reports of the Russian Federation.
